Course Level: Step 7 –Programming Level 2 – **S7202**

Who Should Attend?

This course is particularly suitable for service staff, with a firm foundation of existing PLC skills and practical experience, whose role requires them to carry out programming related tasks. In addition, the course helps those who want a greater appreciation in program design, editing and configuration changes.

Prerequisites

- PC literacy, keyboard skills and a good working knowledge of Windows XP
- A knowledge of PLC's is essential
- Step 7 – Beginners Course – S7201

Aims and Objectives

On completion of this course the student will be able to write programs and diagnose errors using S7 software package on S7-300 PLC.

Contents

- CA01 overview and configuration tools (ET-200s selection)
- PLC SIM
- S7-graph introduction + application
- CFC introduction + application
- PID control block FB41
- MM440 with PROFIBUS
- PLC to PLC communication through PROFIBUS
- ET200s LAB with PROFIBUS network

Duration

One day

2

Workshop: Main Road, Hbaline, Amchit, Jbeil, Lebanon
Fax: (+961) (9) 635208

Office: 1st Floor, Farah Bldg, Gouraud street, Jemayzeh, Beirut, Lebanon

Training center

ITEC operates a Proof of Concept Automation Center, Live Demo & Training Facility, all for the purpose of educating our engineers and clients on the latest industrial automation technologies.

Itec teams are happy to share their knowledge.

We are offering different training courses in the following subjects:

- BECKHOFF embedded PLC and new automation design, using TWINCAT software.
- ETHERCAT, PROFINET and PROFIBUS training courses
- LAD, FBD, CFC, SFC and STL programming on different types of PLC's
- CAD solutions, using Engineering Base (EB) from AUCOTEC
- SIEMENS S7 200 training courses
- SIEMENS Step 7 - S7 300 and S7 400 Training courses
- SIEMENS WinCC flexible, for machine visualization solutions
- SIEMENS WinCC SCADA course
- DRIVES (VFD), ABB drives
- Machine Safety courses, using PILZ products

Please send us a support request - support@iteclb.com -; stating what kind of training you would like to attend.

Pricing

Course	Price	Attendees	Totals
S7202	600 \$	1	600 \$
