Subject: Technical Discussion and workshop on PCS7 for Holcim Cements Project

Dear Sir,

With ref to the PCS7 license and products we have supplied through our Regional Partner ITEC WLL,

We hereby would like to state that technical workshop has been held on the PCS7 products supplied including the CEMAT license. The workshop has been attended by representatives ((Mr. Anthony Nicolas and Samer Barakat) from ITEC in December 2017.

SIMATIC Automation system from Siemens is the market leader throughout the world. Numerous projects have been successfully implemented throughout the world, including the Middle East, using the advantages provided by the Totally Integrated Automation concept of SIMATIC.

ITEC has implemented SIMATIC S7 systems in number of projects in the region. We confirm our intention to supply them products and to provide our logistics & product related technical support through our Siemens Qatar office.

Sincerely Yours,
For Siemens WLL,

Dinesh Kumar C S
Sales & Channel Partner Manager
